

Screening the world.

The Moose is the ultimate upgrade in a rolling patio door screen, built to take heavy-duty traffic in stride.

Heavy-Duty Patio Door Screen System.

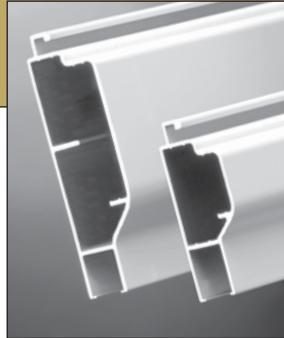

SuperPremium Patio Screen

The Moose is the ultimate upgrade in a rolling patio door screen. Its extra-strong, wide body 3" frame takes heavy-duty traffic in stride. Bigger and better, The Moose is an excellent choice for large 8' high doors. This ultimate patio screen door is smooth and easy to operate and is ideal for both commercial and residential applications.

Actual Size Comparison:
The Moose vs. Heavy Duty

Heavy-Duty Patio Door Screen System.

Full 3" Frame

- Offer your customers the ultimate upgrade in a rolling patio door screen
- Add the look, strength and feel of a 3" wide aluminum extrusion to your premium sliding patio door offering
